JACQUELINE PIOTAZ SWITZERLAND,
TIMELESS SWISS SKIN CARE

Jacqueline Piotaz Switzerland, Timeless Swiss Skincare is now available for the first time in the United States at Spa Montage Deer Valley. The luxurious combination of advanced products and facial treatment techniques combines revolutionary Triple Plant Stem Cell ingredients with the latest advanced Swiss Bio High Technology, to create a potent effect on cell protection, cell renewal, and cell production. Developed by Jacqueline Piotaz, an international skin care authority, and produced in a renowned Swiss research laboratory, these treatments and products will improve the tone and texture of your skin while infusing it with active ingredients that leave the skin remarkably timeless and beautiful. Maintain the amazing results of these facial treatments with easy to use homecare, the Triple Plant Stem Cell Plus Collection[®], and the Advanced Cellpower Performance Collection[®].

BIO DETOX & ANTI-STRESS BEAUTY LIFTING PACKAGE

Five 60 minute sessions • \$1,995

The Bio Detox and Anti-stress Cure is a series of five separate treatments performed over time, ideally within five weeks. The Cure also includes 5 essential take home products consisting of the Cleanser, the Peel Tonic, the Exfoliator, the 9 D-Serum, and the Mask & Luxury Night cream to support you in maintaining your beautiful results.

TIMELESS CURE PACKAGE

Five 30 minute sessions • \$1,200 (product included)

The cure is a series of five separate treatments performed from seven days and ideally within five weeks. The JPS Timeless Cure is for every type of skin and any age. Especially helpful for tired skin, skin in convalescence or under high stress, and for dry and mature skin which needs to be rejuvenated, firmed and / or regenerated. The cure also includes the Jacqueline Piotaz, Timeless Swiss Skin Care Voyage Collection, consisting of five take home care products to support you in maintaining your beautiful results.

TIMELESS SWISS BOOSTER TREATMENT

90 minutes • \$350

This intensive Swiss Booster facial meets the highest demands for visible results from a modern and innovative luxury treatment through use of the JPS Timeless Swiss Booster and the proprietary JPS Lifting Massage. The tone and texture of the skin transforms, becoming visibly improved, plumped and firmed, while expression lines and wrinkles appear to be less severe as the facial features relax. Ideal for stressed, tired, and mature skin. This treatment provides a great lifting effect for all skin types, while simultaneously adding more radiance and brightness.

ADVANCED CELLPOWER PERFORMANCE – BIO DETOX & ANTI STRESS BEAUTY LIFTING

60 minutes • \$245

The Advanced Cellpower Beauty Lifting Technique combined with the Advanced Cellpower Performance Products produces a facial that offers an immediate lifting, firming and rejuvenation effect. Highly advanced anti-aging ingredients in high concentrations have the multidimensional power of activating the skin in the dermis. This second generation of antioxidants and anti-pollution ingredients improve the skin's resistance leaving the skin perfectly nourished and moisturized as wrinkle zones are reduced. For the most mature and demanding skin, this treatment produces a non-invasive lifting effect.

TIMELESS EXPRESS TREATMENT

30 minutes • \$175

The skin becomes refined, fresh and revitalized. Wonderful and ideal for a treatment in between more comprehensive facials for an infusion of freshness for the skin. Alleviates tired, nervous and stressed skin. Also perfect for men.
