**MONTAGE HOTELS & RESORTS ANNOUNCES PLANS
FOR MONTAGE LOS CABOS**

Seaside Resort will be the Hospitality Brand's First International Destination

April 28, 2015 (ORANGE COUNTY, CALIF.) – [Montage Hotels & Resorts](http://montagehotels.com), the hotel and resort management company behind the renowned collection of Montage hotels, resorts and residences, announces plans to develop and operate its newest seaside resort on the sweeping shores of Santa Maria Bay in Los Cabos, Mexico. Set within the exclusive new enclave of Maravilla Los Cabos and perched upon the premier beachfront in all of Cabo, Montage Los Cabos will feature 122 expansive guestrooms and suites, along with 52 Montage Residences. Montage Los Cabos' location, including 39-acres on the white sand beach and azure waters of Santa Maria Bay, will offer spectacular views and immediate, walk-in access to the finest swimming, diving and snorkeling in the region. Montage Los Cabos will be the first international destination for Montage Hotels & Resorts, and is anticipated to open late 2017.

"Montage Los Cabos on Santa Maria Bay is the absolute best location for a resort in all of Los Cabos," said Alan Fuerstman, Founder and CEO of Montage Hotels & Resorts. "Its stunning natural setting, gentle swimmable beach on the Sea of Cortez, and its proximity to all that Cabo has to offer, sets the stage for an extraordinary Montage resort. The accommodations, dining, amenities and service will rival the finest resorts in the world."

Each property in the Montage Hotels & Resorts portfolio offers comfortable elegance and a unique sense of place and spirit. Los Cabos' rich history and culture, along with its beautiful vistas and landscapes make it a natural choice for Montage's newest destination. Celebrating the region's tradition of indoor-outdoor living, all of Montage Los Cabos' public spaces, guestrooms and suites will be designed to frame the surrounding Baja desert landscape and serene waters of the Sea of Cortez. Robert Glazier, acclaimed architect of Glazier Architects, Inc., is taking the lead in architectural planning and design of Montage Los Cabos. The property will feature a variety of native materials and a

palette of natural desert tones that blend seamlessly with the environment and complement the resort's striking oceanfront setting.

Montage Los Cabos will offer its guests highly-personalized, authentic experiences, including wellness programs and treatments at the signature Spa Montage, as well as an array of fitness offerings at an on-site Activities Pavilion, where guests can take advantage of the resort's tennis, barefoot pitch-and-putt, basketball and recreational lawn facilities. Unique in the Los Cabos region, Montage Los Cabos features remarkable walk-in access to snorkeling and diving at Santa Maria Bay. The resort will also include two pools and Montage's signature, immersive children's program, Paintbox. In addition, Montage Los Cabos will feature multiple dining venues where travelers can enjoy the region's abundant seafood and innovative use of fresh, local ingredients. With 6,100 square feet of indoor meeting and event areas, as well as multiple outdoor beachside function lawns, Montage Los Cabos will also serve as an excellent venue for corporate meetings, executive retreats and destination weddings.
