Executive Chef Craig Strong and General Manager Fabien Riviere along with the award-winning Studio Team are honored to have you as our guests. Every event can be tailored according to your preferences and takes advantage of the diverse and intimate spaces within the restaurant, each featuring a different angle of the expansive ocean beneath the bluff. Chef Strong’s modern French cuisine finds perfect compliments among the restaurant’s extensive 2,500-bottle wine collection. Our sommelier team is available to offer wine pairings by the course or suggest selections for the entire menu. It would also be our pleasure to assist by personalizing the event with special touches such as floral arrangements, decorative adornments, live entertainment, or signature gifts to fit your vision.
