

## PRIVATE BREAKFAST MENU

Please select any (4) breakfast items from the menu below.  
These items will be printed on a custom menu for your guests to order from.

\$45.00++ Per Guest

The Loft offers fresh and innovative American cuisine with inspiring ocean views. Chef de Cuisine Casey Overton respects and embraces the value of sustainability and its effect on the environment. By working closely with local farmers and purveyors, he offers a tastefully designed menu that promotes personal health and well-being. It would also be our pleasure to assist by personalizing the event with special touches such as floral arrangements, decorative adornments, and signature gifts to fit your vision.
