# MONTAGE BEVERLY HILLS PARTNERS WITH ACCLAIMED CHEF GEOFFREY ZAKARIAN AND ANNOUNCES GEORGIE AND THE GARDEN BAR

## Collaboration Introduces Zakarian's First Los Angeles Restaurant

February 17, 2016 (BEVERLY HILLS, CALIF.) – Montage Beverly Hills has partnered with chef and restaurateur, Geoffrey Zakarian, who will bring two new concepts, Georgie and The Garden Bar, to the hotel and local community. Georgie, Zakarian's first Los Angeles restaurant, will be a lush and textured space with a relaxed and playful ambience. Located on the ground floor of the hotel, The Garden Bar will be a bustling, dynamic lounge adjacent to Georgie and will offer classic cocktails and all day fare in a comfortable yet refined setting. Both concepts will feature indoor and outdoor seating overlooking the spectacular Beverly Canon Gardens. Renovations will begin in early April with both Georgie and The Garden Bar slated for an early June opening. Chef Freddy Vargas has been appointed Executive Chef for Georgie and The Garden Bar to oversee culinary operations and will work daily with Zakarian to deliver a distinctive dining experience.

"I am thrilled and honored to be partnering with the Montage Beverly Hills family on Georgie and The Garden Bar. When I think of my restaurants, I treat them as an extension of my home. If I can bring that feeling to a town and neighborhood that I truly love, what could be better than that?" said Chef Zakarian. "I am humbled to have this opportunity to join the incredible chefs and food community in Los Angeles."

Georgie, with its warm and welcoming environment, will be open for breakfast, lunch and dinner to offer vibrant, thoughtfully balanced dishes that showcase Zakarian's Modern American cuisine. The Garden Bar will serve as a glamorous neighborhood gathering place with a robust beverage and cocktail program, in addition to a lighter food menu offered morning to night.

"We are delighted to continue building upon the success of Montage Beverly Hills' talented culinary team with the addition of Georgie and The Garden Bar. Geoffrey Zakarian brings with him a contagious energy, an unwavering commitment to excellence, and a pioneering spirit that will further enhance the dining experience. Geoffrey also shares in the hotel's mission to provide warm, gracious and authentic service while creating lifelong memories for our guests," said Todd Orlich, general manager of Montage Beverly Hills.

After producing record breaking results in both 2014 and 2015, Scarpetta Los Angeles will continue to operate as usual through April 2, after which both the restaurant and Parq Bar will undergo renovations in preparation for the early June opening of Georgie and The Garden Bar.
