CORAVIN WINE BY THE GLASS

The Coravin® System allows us to pour these coveted high-end wines by the glass, without pulling the cork. Its innovative design keeps wine safe from any oxidation, allowing it to continue to age naturally, giving us the freedom to pour several pours, from any bottle, at any time.

DOMAINE DE LA ROMANEE CONTI

Romanée-Conti is a vineyard famed for the excellent quality of its wine. Its situation in the vineyard territory of Vosne is the most advantageous for the perfect ripening of the grapes; higher in the west than in the east, it receives the first rays of the sun in all seasons, being thus imbued with the great heat of the day.

The wine of La Romanée is the most highly regarded of all those in the Côte d'Or and even of all the vineyards of the France. Weather permitting, this wine always distinguishes itself from those of the other terroirs of predilection; its brilliant and velvety colour, its vibrance, and its scent charm all the senses.

Well kept, it always improves as it approaches its eighth or tenth year.

For many, this is the purest expression of Pinot Noir in the world and perhaps the best wine made anywhere.

FONTODI FLACCIANELLO

Flaccianello was created in 1981 and was one of the first Super Tuscans to be made from 100% Sangiovese. Initially the grapes were only sourced from a single vineyard named Flaccianello, but in 2001 they began to include selections of the best fruit sourced from all of the top Fontodi vineyards. The chosen vines were a minimum of 20 years old and located in the highest part of the Conca d'Oro, Panzano. Fontodi also switched to biological viticulture in 2000, resulting in wines with more individuality and terroir expression.

Enjoy this outstanding wine as part of one of the largest collections in the United States.
