MONTAGE DEER VALLEY  
DEER VALLEY, UTAH

## THE INSIDE STORY

When the powder melts and the summer sun warms the mountain peaks, Montage Deer Valley comes to life. This luxurious mountain resort is nestled in the Wasatch Range, just five minutes from Park City, Utah's celebrated Main Street. From panoramic alpine views and epic year round adventures to intimate lodging and culinary options, Montage Deer Valley will have you wanting to renew your vows!

## YOUR STAY

After a sunny day of exploring or, our favorite, local bar hopping, take the resort's dedicated shuttle back to Montage Deer Valley for some of the best R & R you can find in the Rockies.

The award-winning resort offers endless lodging options to fit your every desire as newlyweds. Shining kitchens, private balconies, and warm fireplaces - the accommodations boast comfort and, of course, romance. Order in or dress it up with a night at one of the stylish dining options, such as Yama Sushi, Burgers & Bourbon, or Apex (Montage Deer Valley's signature restaurant). RMB recommends splurging on the Prime Black Angus Beef Tenderloin, followed by the Dark Chocolate Malt Coulant featuring rye whiskey ice cream. The array of culinary options will leave you hungry for more!

## THE PERKS

There is something for every couple at Montage Deer Valley. Challenge your partner to a day of fly fishing, horseback riding, mountain biking or hiking. If a day of pampering is on the books, check into the on-site spa for a yoga class followed by a couples massage in the Serenity Suite. Who said planning a wedding and saying "I Do" was easy? For a cruise around the Park City area, take a trip to the Utah Olympic Park where the 2002 Olympic Winter games were held. At the Olympic Park you will find zip lining, the famous Alpine Slide, and you may even meet a future Olympian as athletic training occurs all year round. No matter your fancy, Montage Deer Valley will set your honeymooning hearts aflutter. Don't forget to pack your camera!
