The great explorers of our country such as Amelia Earhart paved the way for our future. Come explore Paintbox and Montage Kapalua Bay and see what exciting things you can experience.

Hawaii is home to so many unique animals. Let's spend the day learning and searching for them around our resort and Coastal Trail. Keep your eyes out for Hawaiian Green Sea Turtles, Spinner Dolphins, geckos and more!

FRIDAY ~ *Aloha Friday*

One of the most anticipated days of the week! Aloha Fridays bring a day full of music, and fun! Painting coconuts and making leis are just a few of the things we will do to celebrate Fridays!

SATURDAY ~ *Seashore Saturday*

Maui is a very unique place above and below the ocean. We will investigate how coral reefs grow and how they take care of other sea creatures. Join us in making your own fish print (with rubber fish) and experience more adventures to learn about our ocean playground!

Food! This is the best day of the week! Decorate your own chef hat, practice your taste testing skills, and make your own pizza! Learn what a solar oven is and bake your own cookies!
