True to the concept of cellulotherapy, Valmont delves into the very nucleus of the skin's cells to find molecules with peerless anti-aging properties: Triple DNA and RNA.

Each 90 minutes and 120 minutes Valmont beauty treatment features a signature collagen infused mask, composed of pure medical grade collagen. Designed to strengthen and stimulate cells suffering from the effects of time or outside aggressions, the collagen infusion reveals sublime and youthfully radiant skin post treatment.
